## **News Behind The News (NbN): Weekly News and Analysis on India, 05 February 2018**

As a kid, I had a strong desire to create, whether ping-pong out the boogie-woogie on our baby grand piano, shooting sci-fi movies on my Sears super-8 reflex camera, or lying under my covers with a flashlight, filling a sketchpad with utopian worlds. Evaluation of this approach showed that it was not effective - it contained the problem for those 6 weeks but did not bring about any change.
