## **Alex and the Giant Plant**

The institutional isolation of donor organizations in Jordanian Hydropolitics. There's something about the heroic knight, the corrupt nobleman, and the headstrong princess that resonates with me.

## **The Girl with the Iron Touch (The Steampunk Chronicles, Book 3)**

For nearly four centuries our people had no means of redress for the injustice and indescribable wrongs committed by their heartless masters, except through their Hyduks, bands of armed Servians whom the Turks called brigands, but whom we reverence as the greatest of all of our heroes.

## **It Started with an Apple...**

And what makes it so special is that they are doing it "because they are veeery big fans of the good old scumm games".

## **Works: Oliver Twist. Pictures from Italy. American notes**
