He had induced her to place herself, for his sake, in a situation of extreme difficulty and uneasiness, and it should have been his first object to prevent her from suffering unnecessarily. The exclusion of eruptive and spectacular violence from the seventeenth-century stage opens it to the staging of a disseminated violence. Amid all the noise and static of the late twentieth century made manifest in weapons and anti-weapons, human beings have set in motion a malign and inhuman reality, which now is beyond their control.
